Career Objective

Motivated Computer Science graduate seeking an entry-level software development role to apply Python, SQL, and web technology skills. Eager to solve problems and develop efficient software solutions.

Education

B.Tech – Computer Science and Engineering 2022–2026
Helapuri Institute of Technology and Science, Eluru

Intermediate 2020–2022
Government Junior College, Kukunoor

SSC 2020
Sri Mythili High School

Technical Skills

Programming Languages: Python
Database: SQL, MySQL
Web Technologies: HTML, CSS
Core Concepts: Object-Oriented Programming (OOP)
DSA: Basics
Tools: VS Code, Anaconda, Jupyter Notebook
Platforms: Google Colab, Git, GitHub

Internship

Python Programming – CSC Academy Apr 2025 – Jun 2025

- Gained practical knowledge of Python programming.
- Practiced functions and basic programming applications.
- Developed simple Python programs to improve coding skills.

Projects

Online Exam Management System Aug 2026 – Sep 2026

- Developed an online examination management application using Python.
- Implemented Admin, Teacher, and Student modules with role-based functionality.
- Managed exams, questions, subject assignments, and records using SQL.

Technologies: Python, SQL, MySQL
GitHub (Python): github.com/swathivara28/Online-Exam-Management-System
GitHub (SQL): github.com/moulyameruva6-collab/Online_Exam_Management_Systemsql
Video Demo: drive.google.com/file/d/1s7agl7FiijaSGRcN3-6kqXA43TBsfUpK/view

Intelligent Decision Driving Strategy for Autonomous Vehicles Apr 2026

- Developed a Python project to support driving decisions based on traffic and road conditions.
- Applied a Genetic Algorithm to select suitable driving actions.
- Considered obstacles, pedestrians, and traffic signals.

Technologies: Python, Machine Learning, Genetic Algorithm
GitHub: github.com/moulyameruva6-collab/Intelligent-Decision-Driving-Stratergy

Certifications

Junior Software Developer Oct 2025 – Dec 2025

- Learned software development fundamentals.
- Practiced basic programming concepts.
- Improved problem-solving skills.

Python Programming – CSC Academy Apr 2025 – Jun 2025

- Learned Python fundamentals and syntax.
- Practiced functions and basic data structures.
- Developed basic Python programs.

Java Programming – CSC Academy Apr 2024 – Jun 2024

- Learned Java fundamentals.
- Practiced object-oriented programming concepts.
- Developed basic Java programs.

Soft Skills

Problem Solving, Communication, Teamwork, Time Management, Adaptability

Languages

Telugu, English
