Common Mistakes in Decision Making

Even well-intentioned decision makers fall into predictable traps. Recognizing these patterns is the first step to overcoming them.

Confirmation Bias

Focusing only on information that confirms your view.

Rushing

Deciding too quickly can lead to missed details.

Analysis Paralysis

Too much overthinking can stall any decision.

How to Improve Decision Making

1 **Slow Down**

Take time to think.

2 **Seek Diverse Perspectives**

Get different viewpoints.

3 **Use Structured Frameworks**

Use decision tools.

4 **Learn from Experience**

Reflect on past choices.

Made with GAMMA

Conclusion: Your Path to Better Decisions

Better decisions come from slowing down, using frameworks, and learning from experience.

Your choices define your destiny.

Thank You
